

Didactic Scenario

1. Title

Exploring the Art of the Sea: A Fun Adventure with the Ocean and Art

2. Keywords

Art, storytelling, gamification, work group

3. Basic Information

STEAM Subject: Art

Typical interaction time with the instructional scenario in teaching hours for in-school work: 90 minutes

General description of the scenario:

Phases	Stage	Time
1	Introduction	10 minutes
2	Meeting Art and Ocean	20 minutes
3	Ocean Tales and Artworks	30 minutes
4	Ocean Art Exhibition	15 minutes

Age group: 6 – 11 years old

Estimated difficulty level:

Very Easy	Easy	Moderate	Challenging	Very Challenging
		X		

Teaching resources

Material:

Colored papers

Paint and brushes

Scissors and glue

Sequins and beads

Seashells

Pencil and colored pencils

Cardboard or paper plates

Elastic or thread

Adhesive tape or double-sided tape

School infrastructure: Not required

4. Educational Problem

This enjoyable art activity brings together the enchanting world of the ocean and art for elementary school students. By combining ocean life and elements with art, the activity aims to foster students' creativity and imagination, allowing them to explore their artistic expression while having a delightful learning experience about the ocean. The main goal of this activity is to explore ocean life and elements through art, support students' creativity and imagination, and provide them with a joyful learning experience by merging art with ocean-related themes.

5. Learning Objective (-s)

1. Acquire basic knowledge about ocean life and elements.
2. Create ocean-themed artworks using various art techniques.

3. Demonstrate their ability to visually tell a story and express themselves through art.
4. Curate and present their own ocean-themed art exhibition.

6. Phases of the Scenario

Phase 1

Title: Introduction

Indoor	Outdoor	Mixed
X		

Phase duration in minutes: 10 minutes

Detailed description of the scenario phase:

Present a brief introduction about the ocean and ocean life to the students, sparking their curiosity.

Organize a slideshow filled with pictures and visuals related to the ocean so that students can visually perceive different ocean elements.

Activity sheets:

Phase 2

Title: Meeting Art and the Ocean

Indoor	Outdoor	Mixed
X		

Phase duration in minutes: 20 minutes

Detailed description of the scenario phase:

Provide students with various art materials such as colored papers, paint, brushes, glue, sequins, and seashells.

Allow each student the freedom to choose their own ocean theme and encourage them to draw or paint their favorite ocean creatures or seascapes.

Motivate students to let their imagination run wild and create their ocean-themed artworks using the provided materials.

Activity sheets:

Phase 3

Title: Ocean Tales and Artworks

Indoor	Outdoor	Mixed
X		

Phase duration in minutes: 30 minutes

Detailed description of the scenario phase:

Share a short ocean-related story with the students and ask them to illustrate the story through their artwork.

Instruct each student to create their own picture book, visually narrating the ocean tale.

Provide simple sentences or words related to the ocean to help students with their illustrations.

Activity sheets:

Phase 4

Title: Ocean Art Exhibition

Indoor	Outdoor	Mixed
X		

Phase duration in minutes: 15 minutes

Detailed description of the scenario phase:

Arrange a small exhibition area within the classroom where students can display their ocean-themed artworks.

Encourage each student to explore and appreciate each other's creations by walking through the exhibition.

At the end of the exhibition, give students an opportunity to discuss and share their thoughts about their ocean-themed artworks.

Activity sheets:

7. Evaluation Methodology

5 minutes

Evaluate the activity together with the students, asking for their feedback on how they found the experience of combining art with the ocean.
Celebrate and applaud the students for their creativity and artistic expression, inspiring them to continue their art-filled explorations.

Conclusion:

"Exploring the Art of the Sea: A Fun Adventure with the Ocean and Art" provides students with a chance to blend ocean-related themes with art, allowing them to unlock their creative potential. The experience of visually narrating ocean tales and curating their own art exhibition creates an enjoyable and educational art journey for the students. This activity empowers students to explore the magical world of the ocean while developing their imagination and artistic expression skills.
