

## "We become little architects"

Activity: Divide into 4 groups. Use the materials from the list, create bridges and experiment on their stability by trying to get little animals to cross over.

### 1st group list

Paper plates  
Craft sticks  
Glues  
Small toy animals

### 2nd group list

Plastic straws  
Modeling clay  
Small toy animals

### 3rd group list

Wooden bricks  
Small toy animals

### 4th group list

Plastic cups  
Tongue depressors  
Small toy animals
